

HJNC NETBALL DRAW FOR 9TH JULY 2011

Games are 7 minute halves with 2 minutes for half time and 3 minutes between rounds. It is really important that teams clear the court quickly after the final whistle. Do your cheers etc. off the court out of the way.

Players do not have to rotate during this Round Robin ... BUT we encourage teams to swap position around from game to game, as it is meant to be a FUN end to the season!!
