

Dear Parents and Caregivers

We would like to welcome the following children and their families to Frimley: Lexani and Airini
School Roll 548

Reminder To all parents, please enrol your youngsters as soon as they turn four. We have an enrolment zone that is being monitored by the Ministry of Education and we need to know the number of five year olds who will be starting at Frimley in any given period of time. Those who live outside of the Frimley School zone need to fill in an out of zone application form.

School Diary

Last Day for Term Two School closes at 2:50

1st Aug First Day for Term Three Schools starts at 8:50 7th October Last Day Term Three.

2nd Aug Next newsletter Community Requests by the 1st August please.

8th -12th Aug Art Week at Frimley Rugby World Cup theme.

Congratulations

Colgate "My Bright Smile" Global Poster competition – Cameron's (Room 15) poster was selected along with eleven others to represent New Zealand in this global art competition.

PTA Disco - Thanks to all of those parents and families who supported the disco night. It was one of the best I have attended.

Netball Teams – Thanks to all of the coaches, teachers, parents and grandparents who supported our teams throughout the season. It was tremendous to see how much the players improved during the season.

Rippa Rugby – Our team has been selected to play in the curtain raiser to the HB Magpies v Southland game on Tuesday 19th July at McLean Park in Napier. They will play Onekawa School.

Parent / Pupil / Teacher Learning conferences – Thank you one and all for supporting these conferences. Please complete the sheet that you were given and send it back to the classroom teacher. It will be pasted into the learning journeys, which will go home in week three of next term.

Frimley Dental Clinic

I understand that our dental clinic will close during the holidays and all equipment will be removed. From now on the dental caravan will come to Frimley twice per year and parents whose children require further treatment will be expected to take them to the Mahora Community Dental Clinic, 806 Tawa Place, Mahora. PH 8734861. Sincere thanks to Jennie Butler our dental therapist for the wonderful service she has given Frimley School pupils over the year.

This type of change is happening to most schools across New Zealand. The communication that schools and parents have had from the Hawkes Bay District Health Board has been nothing short of abysmal and you as parents need to keep the CEO of the Health Board accountable for this type of irrational decision making. If it doesn't work let them know. Like a number of schools here at Frimley we had we had a perfectly sound Dental Clinic and a service that suited everyone.

A message from Public Health - Measles Outbreak in Hawke's Bay

Over the last three months there have been 26 cases of measles in Hawke's Bay and 5 of these cases have been admitted to hospital. Three primary schools have been affected by measles cases, with many students and staff being asked to stay away from school for two weeks. Complications from measles are reasonably common.

It is very important for all children to be protected from this serious illness by having the MMR (measles mumps & rubella) immunisation at 15 months and at 4 years of age.

If your child (over the age of 4 years) has not had two MMR immunisations it is important to visit your GP practice as soon as possible so they can catch-up with these immunisations. The immunisations are FREE.

All adults under 42 years of age (born since 1969) who have no record of measles immunisations and have not had measles disease should receive one dose of MMR. This is also FREE.

When you have updated your child's immunisations please ask the nurse for an Immunisation Certificate. Ensure the school office has a copy of this for their records. This is very important if your school has a case of measles or other vaccine preventable disease.

Children with no record of immunisations at schools can be excluded from school for two weeks or until an Immunisation Certificate is produced.

School Uniform Winter has now arrived and we have ample supplies of polar fleece jackets (\$50), second hand polar fleeces (\$10) and polar fleece beanies (\$15) for sale here at our school office to keep your children warm.

Iron on Name tags are also available at a cost of \$5 for 10. We are continually amazed at the number of children's whose clothing is not named in any way. Please buy some nametags and do it during the holidays.

Headlice – During the school holidays is a very good time to treat children for headlice.

Borrowed Clothing – Please return it to school as soon as possible our stocks are running low.

Lost Property will be displayed by the Hall on Friday. Please have a look – it is mainly shoes.

School Readers, Journals, Library Books Resources, Sports Uniforms – if you have got any of these at home would you please return them as soon as possible. We prefer to purchase new stock rather than replacing those that are missing.

Community News

Father and Daughter Dance Fri 12th August 7:00 – 9:30 at Bay City Outreach Centre Tickets available from the Bay City Outreach Centre \$5 per person Ph 8794798 for more details.
