OUT OF ZONE ENROLMENTS

Applications for all out of zone enrolments for the 2012 school year close on the 18th November 2011. It is also important that if you live out of zone and have a new entrant who will be starting school in 2012 that you fill in an out of zone enrolment application form prior to that date. Waiting until 2012 will be too late. Please inform any friends, neighbours etc so that they can take action where necessary.

IN ZONE ENROLMENTS – If you live inside of our school zone then enrolment is guaranteed but we would like to know about it so we can plan accordingly. Please come in and fill in an enrolment form.

Blossom Parade Float won “BEST SCHOOL FLOAT” Sincere thanks to everyone who was involved in it’s creation and on the day at the Blossom Parade. The float looked fabulous. We have also taken the opportunity to display the Rugby Ball and some of the banners at school. I have been very impressed with the way that all of the classes and parents are supporting this nationwide event.

Given an authentic event some of the children’s story writing has been simply amazing. Here is just one sample from Hannah Yr3 Rm 12

“Tonight the All Blacks are in the Rugby World Cup final. The advertiser stated. Before every All Black game the All Blacks perform something called a haka. Throughout the haka the All Blacks slap their chests powerfully, poke their tongues out fiercely and make their eyes look bulgy. It is a Maori tradition to poke their tongues out in the haka. The haka means I am going to face you in a war.

Moments later Piri Weepu leads the haka. All of a sudden the opponents start to shake like an earthquake has just hit the stadium. When the haka is completed the opponents feel like ants facing a herd of elephants. While the haka is on the atmosphere is electric and the crowd goes wild. The sound of the haka is so loud it could pop your ear drums and make you deaf. Slowly it makes me shiver and quake and then the game begins. The All Blacks will win.”

Vegetable Garden - This is looking great thanks to the hard work from the Middle School and Sarah Williams our voluntary supervisor. If any of you have any seedlings and/or fertiliser that would be suitable please send them along to school.

Chocolate Bar Fundraiser for Optimist Yachting or 2012 School Camps – This is going exceptionally well and we are currently out of stock. Please send back the money or product that you cannot sell as soon as possible. It is needed urgently.

Unnamed clothing - We have iron on name tags available for purchase from the school office \$5 for ten tags. On a daily basis we get an amount of un-named clothing handed in here at the office. Named clothing finds its owner. Please check your child's clothing.

Crossfit Kids at Sports Park Hawke's Bay and Crossfit Hawkes Bay

Crossfit kids is a programme that combines 10 general physical skills ie cardio-respiratory endurance, power, strength, stamina, speed, agility, flexibility, balance, accuracy and coordination. The classes focus on fun and fitness to prepare them for sport and life. Kids brains are like sponges, itching to make the connections and adaptations – we provide the activities to make these connections in an inclusive fun environment. Classes are already underway at Crossfit Hawkes Bay and new classes are about to begin as 2 of the classes are already full with our next generation athletes! Also a holiday programme that combines Active Brain and Crossfit Kids as well as sporting skills is available.
