

Dear Parents and Caregivers

I trust that you have all recovered from the stress and excitement of the All Blacks Rugby World Cup victory. There were certainly a lot of valuable lessons to be learnt for everyone who is involved in sport in any way.

We should all feel extremely proud of how New Zealand made it a crowd of four million and how every community entered into the spirit of the event.

We are delighted to welcome the following children and their families to Frimley: Kendra Barnes, Earl Riamon, Satvir Parmar, Riley Boustead, Tehia Taylor, Howard Yang, Kapree Vella, General and Kita Aramoana.
Roll 583

A special welcome is also extended to Miss Ellie Benson a Global Exchange Teacher Trainee from Indiana USA. Ellie is being hosted by Lynda and Carl Allen and is working in Rm 14.

OUT OF ZONE ENROLMENTS

Applications for all out of zone enrolments for the 2012 school year close on the 18th November 2011. It is also important that if you live out of zone and have a new entrant who will be starting school in 2012 that you fill in an out of zone enrolment application form prior to that date. Waiting until 2012 will be too late. Please inform any friends, neighbours etc so that they can take action where necessary.

IN ZONE ENROLMENTS – If you live inside of our school zone then enrolment is guaranteed but we would like to know about it so we can plan accordingly. Please come in and fill in an enrolment form.

CHILDREN LEAVING – Apart from Year 6 children if your child/ren is/are not going to be returning to Frimley next year then it would be appreciated if you would let us know as soon as possible. We have children on a waiting list wanting out of zone placements for 2012.
